

Evocative Responses*

**Can you say more about that?
What's that all about?
What was (is) that (God) like?
How does that feel (to, for, in) you?
Image?
Tell me more about this.
How did (does) God seem?
What does that feel like (look like) now?
Can you tell me more about that?
What does that say God is like?
Tell me about it.
Did you tell God?
How did it feel to tell God that?
Did you listen for God's response?
Does this remind you of an incident in Jesus' life?
Which passage had the most to say to you?
What struck you in this passage?
How did that make you feel?
Where does it come from?**

Inside you are paying attention to:
